Rumpelstiltskin (Hebrew: רמפלסילטסקין, "my-advisor-my-midget") is a Hebrew language–musical based on the fairytale of the same name by the Brothers Grimm, written by Avraham Shlonsky. Shlonsky's rendition casts the story in a humoristic light, rather than the grim tone of the original. All monologues and dialogues are spoken in rhyme, and incorporate sophisticated wordplay using the Hebrew language at a high level alongside many inverted allusions to Jewish tradition, including one to the taboo over uttering the Tetragrammaton. Most notable of these allusions are those to the holiday of Purim and its connected piyutim, and to the bases of Hebrew grammar and pronunciation. This musical is considered one of the longest running, most popular shows in Israel.

Rumpelstiltskin is the eighteenth soundtrack album by Tangerine Dream and forty-fifth overall.

In 1991, the US based Rabbit Ears label released the tale in their audio novel series for children. The story was told by actress Kathleen Turner and the accompanying music was composed and performed by Tangerine Dream exclusively for this recording. During the 22 minute story the material is used as background and intermediate music, and additionally the album features all seven compositions as instrumental tracks.

#### Shrek (franchise)

*Shrek is tricked into signing a pact with the smooth-talking dealmaker Rumpelstiltskin. He agrees to trade a day from his childhood in exchange for a day*

Shrek is an American media franchise of DreamWorks Animation. Loosely based on William Steig's 1990 picture book *Shrek!*, the series primarily focuses on Shrek, a bad-tempered but good-hearted ogre, who begrudgingly accepts a quest to rescue a princess, resulting in him finding friends and going on many subsequent adventures in a fairy tale world.

The franchise includes four animated films: *Shrek* (2001), *Shrek 2* (2004), *Shrek the Third* (2007), and *Shrek Forever After* (2010), with a fifth film, *Shrek 5*, currently in production for a June 2027 release. A short 4-D film, *Shrek 4-D*, which originally was a theme park ride, was released in 2003. Two television specials, the Christmas television special *Shrek the Halls* (2007) and the Halloween television special *Scared Shrekless* (2010), have also been produced. Two spin-off films were made centered around the character *Puss in Boots*: 2011's *Puss in Boots* and its sequel, 2022's *The Last Wish*. Additionally, a stage musical adaptation was created and played on Broadway for more than a year (2008–2010).

In May 2010, The New York Times described the principal Shrek characters as "brilliantly realized" and said "nearly a decade after the first Shrek film they remain as vital and engaging fusions of image, personality, and voice as any characters in the history of animation." The series was a financial success, becoming the 18th highest-grossing film franchise of all time, the second highest-grossing animated franchise, as well one

of the highest-grossing media franchises of all time.
