Adapted by Bill Phillips from Stephen King's 1983 novel of the same name, the movie follows the changes in the lives of Arnie Cunningham, his friends, his family, and his teenage enemies after he buys a classic red and white 1958 Plymouth Fury named Christine, a car that seems to have a mind of its own and a jealous, possessive personality, which has a bad influence on Arnie.

Released in the United States on December 9, 1983, Christine received generally positive reviews from critics and grossed \$21 million at the box office. The film has since become a cult classic.
