Geronimo Stilton

Geronimo Stilton is an Italian children's book series created by Elisabetta Dami and written under the pen name of the title character. Scholastic Corporation

Geronimo Stilton is an Italian children's book series created by Elisabetta Dami and written under the pen name of the title character. Scholastic Corporation began publishing the English version of the series in the US in February 2004. In the UK, the English books are published by Sweet Cherry Publishing. The series is set on a fictional version of Earth dominated by anthropomorphic mice and rats and focuses on the title character, a mouse who lives in New Mouse City on Mouse Island. A best-selling author in-universe, Geronimo Stilton, works as editor and publisher for the newspaper, The Rodent's Gazette. He has a younger sister named Thea Stilton, a cousin named Trap Stilton, and a nephew, nine-year-old Benjamin Stilton. Geronimo is a nervous, mild-mannered mouse who prefers a quiet life, yet keeps getting into faraway adventures with Thea, Trap, and Benjamin in both fictional and real locations. The books are written as fictional memoirs of him on these adventures. The books are designed and distributed in full color, depicting important words in the text as colored and in illustrative typefaces.

The series, combined with many spin-off series, has sold over 180 million copies worldwide and has 309 books in total. The series has also been adapted into an animated television series of the same name, theatrical shows, and video games.

Essentials is the Sony PlayStation budget range in the PAL region, which covers Europe, the Middle East and Africa, Australia and South Asia. It was launched in 1997 as the Platinum range but was later renamed for PlayStation Portable, PlayStation 3, PlayStation Vita and PlayStation 4. After reaching the required level of sales, Sony often dropped the prices of the original title to Platinum pricing levels (generally about half of the original retail price), as a way to clear inventory for retailers. Similar budget ranges from Sony include the Greatest Hits and The Best labels for the North American and Japanese markets, respectively.

Winx Club

forever" in 2007, and he intended the first movie (Winx Club: The Secret of the Lost Kingdom) to resolve any plot points remaining from the third-season finale

Winx Club is an animated series produced by Rainbow, with later seasons co-produced by Nickelodeon. It was created and directed by Italian animator Iginio Straffi. It premiered on 28 January 2004, becoming a ratings success in Italy and on Nickelodeon networks internationally. The series is set in a magical universe inhabited by fairies, witches, and other mythical creatures, and tells the story of Bloom, a teenage girl from planet Earth who discovers she is a fairy. Enrolling at Alfea College, she befriends four other fairies and forms a group called the Winx Club, fighting a long series of enemies threatening the Magic Dimension, and in the process, discovering her true origins and the fate of her biological family.

Straffi's original storyline for Winx lasted three seasons, but he chose to continue with a fourth season in 2009. Around this time, Winx Club's popularity attracted the attention of American media company Viacom, who acquired 30% of Rainbow S.p.A. in 2011. Starting in 2010, Rainbow began producing new seasons of Winx Club with Nickelodeon Animation Studio; episodes were jointly written by the Italian and American teams, with Nickelodeon aiming to make the series multicultural and appealing to viewers from different countries. To attract American audiences, Viacom assembled a voice cast that included notable Nickelodeon actors (such as Elizabeth Gillies and Ariana Grande), invested US\$100 million in advertising for the series, and inducted Winx Club into the Nicktoons franchise. The continued partnership between Rainbow and Nickelodeon on Winx Club led to the development of more co-productions, including Club 57 in 2019, on which much of Winx Club's staff worked.

The series faced budget cuts during production of its seventh season, resulting in the removal of the Hollywood voice cast and 3D-animated segments. After the seventh season premiered worldwide in 2015, Winx entered a four-year hiatus until the eighth season premiered in 2019. At Straffi's decision, the new season was heavily retooled for a preschool target audience.

A live-action young adult adaptation of Winx Club, Fate: The Winx Saga, premiered on Netflix in 2021 and lasted two seasons. In January 2023, Viacom (now known as Paramount Skydance Corporation) sold its stake in Rainbow back to Straffi, allowing him full control of the studio's new projects. In 2023, Rainbow announced an animated reboot of Winx Club, Winx Club: The Magic Is Back, which will premiere in the fall of 2025.
