

Ordeal

Ordeal

ordeal in Wiktionary, the free dictionary. Ordeal may refer to: Trial by ordeal, a religious judicial practice to determine "the will of God"; Ordeal (autobiography)

Ordeal may refer to:

Trial by ordeal, a religious judicial practice to determine "the will of God"

Trial by ordeal

Trial by ordeal was an ancient judicial practice by which the guilt or innocence of the accused (called a "proband") was determined by subjecting them

Trial by ordeal was an ancient judicial practice by which the guilt or innocence of the accused (called a "proband") was determined by subjecting them to a painful, or at least an unpleasant, usually dangerous experience.

In medieval Europe, like trial by combat, trial by ordeal, such as cruentation, was sometimes considered a "judgement of God" (Latin: *jūdicium Dei*, Old English: *Godes dōm*): a procedure based on the premise that God would help the innocent by performing a miracle on their behalf. The practice has much earlier roots, attested to as far back as the Code of Hammurabi and the Code of Ur-Nammu.

In pre-industrial society, the ordeal typically ranked along with the oath and witness accounts as the central means by which to reach a judicial verdict. Indeed, the term ordeal, Old English *ordǣl*, has the meaning of "judgment, verdict" from Proto-West Germanic **urdailō* (see German: *Urteil*, Dutch: *oordeel*), ultimately from Proto-Germanic **uzdailijō* "that which is dealt out".

Priestly cooperation in trials by fire and water was forbidden by Pope Innocent III at the Fourth Council of the Lateran of 1215 and replaced by compurgation. Trials by ordeal became rarer over the Late Middle Ages, but the practice was not discontinued until the 16th century. Certain trials by ordeal would continue to be used into the 17th century in witch-hunts.

Ordeal by Innocence (TV series)

Ordeal by Innocence (titled on-screen as Agatha Christie's Ordeal by Innocence) is a three-part television drama series that was first broadcast in April

Ordeal by Innocence (titled on-screen as Agatha Christie's Ordeal by Innocence) is a three-part television drama series that was first broadcast in April 2018 on BBC One. It is based on the Agatha Christie novel of the same name and is the third English-language filmed version to be broadcast. The drama stars Morven Christie, Bill Nighy, Anna Chancellor, Alice Eve and Eleanor Tomlinson amongst others.

The show was originally intended to be broadcast as part of the BBC Christmas programming but was held back due to original cast member Ed Westwick being accused of sexual assault. The accusation was denied and no charges were ultimately brought. The actor's scenes were later reshot, with Christian Cooke taking Westwick's place.

The series attracted positive reviews despite some backlash over the changes made to the plot. The direction and styling were afforded particular praise.

The series was released on DVD through Universal Pictures UK on 11 March 2019.

Ordeal by Innocence

Ordeal by Innocence is a work of detective fiction by British writer Agatha Christie, first published in the UK by the Collins Crime Club on 3 November

Ordeal by Innocence is a work of detective fiction by British writer Agatha Christie, first published in the UK by the Collins Crime Club on 3 November 1958 and in the US by Dodd, Mead and Company the following year. The UK edition retailed at twelve shillings and sixpence (12/6) and the US edition at \$2.95.

A crucial witness is unaware of his role as such until two years after a man is found guilty of a murder. When he realizes the information he holds, he re-opens the pain of loss in a family, and re-opens the question of who was the murderer two years ago.

This novel received mixed reviews at the time of publication, as reviewers were not generally comfortable with the psychological aspects of the story. The plot had her "customary ingenuity" but lacked "blitheness" and was "much too like an attempt at psychological fiction". Sympathy is evoked for too many characters, "but the unravelling is sound and the story well told." Another said there is ingenuity and a good ending, but the plot "lacks a central focus" and it appears that the "serious socio-psychological approach doesn't suit" Christie's writing. A later review considered it one of the better Christie novels of the 1950s, and noted that the author sometimes called it her own favourite.

Ordeal of the bitter water

In the Hebrew Bible, the ordeal of the bitter water was a Jewish trial by ordeal administered by a priest in the tabernacle to a wife whose husband suspected

In the Hebrew Bible, the ordeal of the bitter water was a Jewish trial by ordeal administered by a priest in the tabernacle to a wife whose husband suspected her of adultery, but the husband had no witnesses to make a formal case. It is described in the Book of Numbers (Numbers 5:11–31).

Ordeal of the Union

Ordeal of the Union is an eight-volume series of books (published 1947–1971) on mid-19th century American history, and particularly on the American Civil War and its background, written by historian Allan Nevins. Two further volumes, intended to cover the Reconstruction era were planned, but not written as a result of Nevins's 1971 death. The first two books in the series have the collective title Ordeal of the Union (with differing subtitles), the third and fourth the collective title The Emergence of Lincoln, and the fifth through the eighth the collective title The War for the Union; the series is, however, generally referred to as Ordeal of the Union as a whole, and the individual volumes have also been republished under this umbrella title.

The individual books are:

Ordeal of the Union: Fruits of Manifest Destiny, 1847–1852 (1947)

Ordeal of the Union: A House Dividing, 1852–1857 (1947)

The Emergence of Lincoln: Douglas, Buchanan, and Party Chaos, 1857–1859 (1950)

The Emergence of Lincoln: Prologue to Civil War, 1859–1861 (1950)

The War for the Union: The Improvised War, 1861–1862 (1959)

The War for the Union: War Becomes Revolution, 1862–1863 (1960)

The War for the Union: The Organized War, 1863–1864 (1971)

The War for the Union: The Organized War to Victory, 1864–1865 (1971)

For the last two volumes, published in 1971, Nevins won the U.S. National Book Award in History.

Selling England by the Pound

fans have suggested with varying degrees of seriousness that "After the Ordeal" was titled to reflect its placement after the interminably long and wordy

Selling England by the Pound is the fifth studio album by the English progressive rock band Genesis, released on 5 October 1973, by Charisma Records. The album was a commercial success in the United Kingdom, reaching No. 3 on the UK Albums Chart, but less so in the United States, peaking at No. 70 on the Billboard 200. A single from the album, "I Know What I Like (In Your Wardrobe)", was released in February 1974 and became the band's first top 30 hit on the UK singles chart.

The album was recorded in August 1973 following the tour supporting their previous album, Foxtrot (1972). The group set aside a short period of time to write new material. It covered a number of themes including the loss of English folk culture and an increased American influence, which was reflected in the title. Following the album's release, the group set out on tour, where they drew an enthusiastic reception from fans.

Critics and the band members themselves have given mixed opinions of the album. Its reputation has improved over time, appearing on various critical and fan-voted lists of the best progressive rock albums. The album has continued to sell and received Gold certifications from the British Phonographic Industry (BPI) and the Recording Industry Association of America (RIAA). It was remastered for CD in 1994 and 2007.

Ordeal in Space

"Ordeal in Space" is a science fiction short story by American writer Robert A. Heinlein, originally published in Town & Country, May 1948. It is one of
