Intro

Meet Professor Steve Keen

Growing up in Sydney, Australia

How I became an economist!

How I predicted the 2007-2008 financial crisis

What is private debt?

What is a global financial crisis?

Will we have another global financial crisis?

Why credit is needed for the economy

This will cause the next global financial crisis!

Potential impacts of the next global financial crisis!

When could the next global financial crisis happen?

Where in the world will be impacted by the climate crisis

What can we do to prevent the climate crisis and next global financial crisis?

Economist thoughts on the new UK government

Economists view on the future of the UK

What really causes inflation

Will inflation or interest rate increase in the future?

The government should take care of pensioners

Is the state pension sustainable

Final words
