**1. What is the difference between a filastrocca and a poem?** While both use rhyme and rhythm, filastrocche are typically shorter, simpler, and specifically designed for children, focusing on memorability and playful language.

Unlike formal poetry, filastrocche are generally characterized by their straightforwardness and iterative structures. This ease, however, is not indicative of a lack of complexity. Many filastrocche are accompanied by gestures, transforming the experience into a dynamic and interactive one. This multi-sensory approach enhances memorization and comprehension for children.

Storytelling, role-playing, and creating visual aids can further enhance the instructional outcome.
