Veronica Logan (also known as Veronika Logan) is an Italian film and television actress.

Tristan und Isolde

*Carollina (2009). Tristano e Isotta. Una piccola storia sul destino e sull' amore eterno (illustrated version, in Italian). Milan: Nuages. ISBN 978-88-86178-90-7*

Tristan und Isolde (Tristan and Isolde), WWV 90, is a music drama in three acts by Richard Wagner set to a German libretto by the composer, loosely based on the medieval 12th-century romance Tristan and Iseult by Gottfried von Strassburg. First conceived in 1854, the music was composed between 1857 and 1859 and premiered at the Königliches Hoftheater und Nationaltheater in Munich on 10 June 1865 with Hans von Bülow conducting. While performed by opera companies, Wagner preferred the term Handlung (German for "plot" or "action") for Tristan to distinguish its structure of continuous narrative flow ("endless melody") as distinct from that of conventional opera at the time which was constructed of mundane recitatives punctuated by showpiece arias, which Wagner had come to regard with great disdain.

Wagner's composition of Tristan und Isolde was inspired in part by the philosophy of Arthur Schopenhauer, as well as by his relationship with his muse Mathilde Wesendonck. The opera, which explores existential themes such as that of mankind's insatiable striving and the transcendental nature of a supreme love beyond death, incorporates spirituality from Christian mysticism as well as Vedantic and Buddhist metaphysics, subjects that also interested Schopenhauer. As such, Wagner was one of the earliest Western artists to introduce concepts from the Dharmic religions into their works.

Tristan und Isolde is widely acknowledged as one of the greatest achievements of Western art music, intriguing audiences with philosophical depths not usually associated with opera, and the "terrible and sweet infinity" of its musical-poetic language. Its advanced harmony, immediately announced by the famous opening Tristan chord of its prelude, marks a defining moment in the precognition of modern music, characterized by unprecedented use of chromaticism, tonal ambiguity, orchestral colour, and prolonged harmonic suspension. While these innovations divided audiences initially, the opera grew in popularity and became enormously influential among Western classical composers, providing direct inspiration to Anton Bruckner, Gustav Mahler, Richard Strauss, Alban Berg, Arnold Schoenberg, and Benjamin Britten. Other composers such as Claude Debussy, Maurice Ravel, and Igor Stravinsky formulated their styles in contrast to Wagner's musical legacy.

Krzysztof Kieślowski

*Antonio (1999). Lo sguardo presente : una lettura teologica di "Breve film sull'amore" di K. Kieślowski. Rimini: Guaraldi. ISBN 88-8049-166-0. Stok, Danusia*

Krzysztof Kieślowski (Polish: [ˈkʲɛʂɨf kɛʂɨlʲskʲi] , 27 June 1941 – 14 March 1996) was a Polish film director and screenwriter. He is known internationally for Dekalog (1989), The Double Life of Veronique (1991), and the Three Colours trilogy (1993–1994). Kieślowski received numerous awards during his career, including the Cannes Film Festival Jury Prize (1988), FIPRESCI Prize (1988, 1991), and Prize of the Ecumenical Jury (1991), the Venice Film Festival FIPRESCI Prize (1989), Golden Lion (1993), and OCIC Award (1993), and the Berlin International Film Festival Silver Bear (1994). In 1995, he received Academy Award nominations for Best Director and Best Original Screenplay. In 2002, Kieślowski was listed at number two on the British Film Institute's Sight & Sound list of the top ten film directors of modern times. In 2007, Total Film magazine ranked him at No. 47 on its "100 Greatest Film Directors Ever" list.
