Learn how to recognize the different indicator codes your LG portable air conditioner might display. Models:
LP1419IVSM ...

Routine maintenance is recommended to keep your portable air conditioner working at its best.

The code that will appear most often in the display of your unit is \"FL\".

This indicates that the water collection tank is full and needs to be emptied.

Refer to the manual for instructions on emptying the water collection tank.

If you see any indicator codes other than \"FL\", power down the unit, unplug it from the wall outlet...
