As a landscape photographer, you might ...

The iconic Neuschwanstein Castle

First evening shooting at Neuschwanstein

The challenge of photographing a famous location

Hoping for moody weather

Deciding on a better viewpoint

Finding a more dynamic perspective

Light on the castle!

The importance of light in landscape photography

My e-book on light

Capturing the last golden glow

The Maria bridge viewpoint

The weather systems roll in

A brief history of Neuschwanstein Castle

Why photographers do not just see the world through the lens

My favorite photos from the bridge

A special offer for my post-processing course

Heading up for a blue hour shot

An incredible moment of light and atmosphere

An absolutely spectacular photo

The importance of image stabilization

The rain begins

Finding a new perspective

Heading back down

Comparing Neuschwanstein to Hohenzollern

Blue hour arrives

Photographing from the Swan Lake

Waiting for the fog to clear

The castle emerges from the clouds

A painting-like photo

Choosing my favorite shot from the trip

Outro and a look at next week's video
