Easy Rider is a 1969 American road drama film written by Peter Fonda, Dennis Hopper, and Terry Southern. It was produced by Fonda and directed by Hopper. Fonda and Hopper play two bikers who travel through the American Southwest and the South, carrying money made from a cocaine deal. Other actors in the film include Jack Nicholson, Karen Black, and Toni Basil. The success of Easy Rider helped spark the New Hollywood era of filmmaking during the early 1970s.

A landmark counterculture film, and a "touchstone for a generation" which "captured the national imagination," Easy Rider explores the societal landscape, issues, and tensions towards adolescents in the United States during the 1960s including the rise of the hippie movement, drug use, and communal lifestyle. Real drugs were used in scenes showing the use of marijuana and other substances.

An independent production, the film was released by Columbia Pictures on July 14, 1969, and earned \$60 million worldwide compared to a modest filming budget of \$400,000. Critics have praised the performances, directing, writing, soundtrack, and visuals. It received two Academy Awards nominations for Best Original Screenplay and Best Supporting Actor (Jack Nicholson). In 1998, the film was selected for preservation in the United States National Film Registry by the Library of Congress as being "culturally, historically, or aesthetically significant".

In 2022, the airline carried more than 69.7 million passengers, making it the second largest budget airline in Europe by number of passengers carried, behind Ryanair.

EasyJet was featured in the television series *Airline*, broadcast on ITV (1998–2007), which followed the airline's operations in London Luton and later at other bases. Easy Lover

"Easy Lover" is a song performed by Philip Bailey of Earth, Wind & Fire and Phil Collins of the band Genesis, jointly written and composed by Bailey, Collins

"Easy Lover" is a song performed by Philip Bailey of Earth, Wind & Fire and Phil Collins of the band Genesis, jointly written and composed by Bailey, Collins, and Nathan East. The song first appeared on Bailey's 1984 solo album, Chinese Wall. Collins has performed the song in his live concerts, and it appears on his 1990 album, Serious Hits... Live! (with Fred White and Arnold McCuller both sharing to perform Bailey's original part), his 1998 compilation album, ...Hits, and his 2016 career-spanning compilation The Singles. It is Bailey's only US top 40 hit as a solo artist.

The song was a No. 1 hit in several countries, including Canada, the Netherlands, Ireland, and the United Kingdom. In the U.S., it spent 23 weeks on the Billboard Hot 100 chart, including 7 weeks in the top 10, and peaked at No. 2 during the weeks of 2 February 1985 and 9 February 1985, behind "I Want to Know What Love Is" by Foreigner. On the UK Singles Chart, it reached No. 1, staying there for four weeks. The single sold over a million copies in the U.S. and was certified gold, as the RIAA requirement for a platinum single disc was not lowered to one million units until 1989. In addition, "Easy Lover" has been certified platinum by the British Phonographic Industry (BPI) and Music Canada. Despite Collins' popularity in Australia, its lowly position on that country's chart was because of a record company dispute.

"Easy Lover" won an MTV Video Music Award for Best Overall Performance in a Video in 1985 and was Grammy Award nominated for Best Pop Performance by a Duo or Group with Vocals in 1986.

The song was used by the World Wrestling Federation as the theme for the first WrestleMania in March 1985 at Madison Square Garden.

The song was also used in the 2006 video game Grand Theft Auto: Vice City Stories, on the fictional radio station Flash FM.
