The Oregon Files is a series of novels written by author Clive Cussler and several co-authors. Craig Dirgo was a co-writer for the first two titles, Jack Du Brul was a co-writer for the next seven titles, Boyd Morrison took over as co-writer starting with book 10, and Mike Maden writes the 16th, 17th, and 18th book after Clive's passing.

The books follow the mysterious "Corporation" and its leader Juan Cabrillo. The title of the series, "Oregon Files", comes from the name of the corporation's ship, the Oregon. The ship's name is based on the former name of the TS Empire State VI, which originally had the name SS Oregon before entering into government service as a training ship for the United States Maritime Service.

Boyd Morrison (* February 17, 1967) is an American thriller novelist, actor and former Jeopardy! champion. He has co-authored several books with The New York Times fiction best-seller Clive Cussler.

Clive Cussler

the captain of the ship Oregon, also made a brief appearance in The Pharaoh's Secret. This series of books features a ship named the Oregon, which Cussler

Clive Eric Cussler (July 15, 1931 – February 24, 2020) was an American adventure novelist and underwater explorer. His thriller novels, many featuring the character Dirk Pitt, have been listed on The New York Times fiction best-seller list more than 20 times. Cussler was the founder and chairman of the National Underwater and Marine Agency (NUMA), which has discovered more than 60 shipwreck sites and numerous other notable underwater wrecks. He was the sole author or main author of more than 80 books. He often placed himself into his books as himself.

His novels have inspired various other works of fiction.

His group discovered the Hunley, which was the first submarine ever to see combat. The Hunley is now in Charleston, SC.

One Flew Over the Cuckoo's Nest is a 1975 American psychological comedy-drama film directed by Miloš Forman, based on the 1962 novel of the same name by Ken Kesey. The film stars Jack Nicholson as a new patient at a mental institution and Louise Fletcher as the domineering head nurse. Will Sampson, Danny DeVito, Sydney Lassick, William Redfield, Christopher Lloyd and Brad Dourif play supporting roles, with the latter two making their feature film debuts.

Originally announced in 1962 with Kirk Douglas starring, the film took 13 years to develop. Filming finally began in January 1975 and lasted three months, on location in Salem, Oregon and the surrounding area, and in Depoe Bay on the north Oregon coast. The producers shot the film in the Oregon State Hospital, an actual psychiatric hospital, which is also the novel's setting. The hospital is still in operation, though the original buildings in the film have been demolished. The film was released on November 19, 1975.

One Flew Over the Cuckoo's Nest received critical acclaim, and is considered by critics and audiences to be one of the greatest films ever made. It is the second of three films to win all five major Academy Awards (Best Picture, Best Actor, Best Actress, Director, and Screenplay) following It Happened One Night (1934), and preceding 1991's The Silence of the Lambs. It won numerous Golden Globe and BAFTA Awards. In 1993, the film was deemed "culturally, historically, or aesthetically significant" by the United States Library of Congress, and selected for preservation in the National Film Registry. Additionally, One Flew Over the Cuckoo's Nest was ranked No. 33 on the American Film Institute's updated 100 Years... 100 Movies list in 2007.

The Wii is Nintendo's fifth home video game console, released during the seventh generation of video games. It is the successor to the GameCube, and was first launched in North America on November 19, 2006, followed by a launch in Japan and PAL regions in December 2006.

This list of Wii games documents all games released for the Wii video game console. The list of GameCube games lists the GameCube games compatible with the Wii's backwards compatibility (although later Wii models removed the controller ports and memory card slots required to play GameCube games, they can be inserted back in through hardware modding) while the list of WiiWare games documents all of the smaller, digital only games released for the Wii. Any games originally released for other platforms that were re-released games under the Virtual Console banner are additionally documented at the List of Virtual Console games lists. Games that were announced or reported to be in development for the Wii, but never released, are documented at the list of cancelled Wii games list.

On November 19, 2006, the Wii launch was accompanied by 20 launch games. The last game releases for the Wii, Retro City Rampage DX+ and Shakedown: Hawaii, were released on July 9, 2020 exclusively in Europe. There are 1612 games on this list.

The historical video game belongs to a video game genre in which stories are based upon historical events, environments, or people. Some historical video games are simulators, which attempt an accurate portrayal of a historical event, civilization or biography, to the degree that the available historical research will allow. Other historical video games are fictionalized tales that are based on mythology, legends or a fictional character within a historical setting.
