Manners are the codes of socially accepted behavior.

Manners may also refer to:

Etiquette

norm-violators." Social manners are in three categories: (i) manners of hygiene, (ii) manners of courtesy, and (iii) manners of cultural norm. Each category

Etiquette (/ˈɛtɪkət, -kət/) can be defined as a set of norms of personal behavior in polite society, usually occurring in the form of an ethical code of the expected and accepted social behaviors that accord with the conventions and norms observed and practiced by a society, a social class, or a social group. In modern English usage, the French word *étiquette* (label and tag) dates from the year 1750 and also originates from the French word for "ticket," possibly symbolizing a person's entry into society through proper behavior. There are many important historical figures that have helped to shape the meaning of the term as well as provide varying perspectives.

Bad Manners

Bad Manners are an English two-tone and ska band led by frontman Buster Bloodvessel. Early appearances included Top of the Pops and the live film documentary

Bad Manners are an English two-tone and ska band led by frontman Buster Bloodvessel. Early appearances included Top of the Pops and the live film documentary *Dance Craze* (1981).

They were at their most popular during the early 1980s, during a period when other ska revival bands such as Madness, the Specials and the Selecter filled the charts. Bad Manners spent 111 weeks in the UK Singles Chart between 1980 and 1983, and they also achieved chart success with their first four studio albums, with Ska 'n' B (1980), Loonee Tunes! (1980), and Gosh It's ... Bad Manners (1981) being their biggest hits.

Comedy of manners

comedy of manners (also anti-sentimental comedy) describes a genre of realistic, satirical comedy that questions and comments upon the manners and social

In English literature, the term comedy of manners (also anti-sentimental comedy) describes a genre of realistic, satirical comedy that questions and comments upon the manners and social conventions of a greatly sophisticated, artificial society. The satire of fashion, manners, and outlook on life of the social classes, is realised with stock characters, such as the braggart soldier of Ancient Greek comedy, and the fop and the rake of English Restoration comedy. The clever plot of a comedy of manners (usually a scandal) is secondary to the social commentary thematically presented through the witty dialogue of the characters, e.g. *The Importance of Being Earnest* (1895), by Oscar Wilde, which satirises the sexual hypocrisies of Victorian morality.

The comedy-of-manners genre originated in the New Comedy period (325–260 BC) of Classical Greece (510–323 BC), and is known from fragments of works by the playwright Menander, whose style of writing, elaborate plots, and stock characters were imitated by Roman playwrights, such as Plautus and Terence, whose comedies were known to and staged during the Renaissance. In the 17th century, the comedy of manners is best realised in the plays of Molière, such as *The School for Wives* (1662), *The Imposter* (1664), and *The Misanthrope* (1666), which satirise the hypocrisies and pretensions of the ancien régime that ruled France from the late 15th century to the 18th century. In the early 18th century, William Congreve's play *The Way of the World* (1700) became popular among the public for its strong depiction of the comedy of manners genre.

Charles Manners
